

BROADY FLOW CONTROL QUALITY POLICY

It is the absolute policy of **Broady Flow Control Limited** to provide products, manufactured to defined standards of content and fitness for purpose, and services that fully and consistently meet the agreed requirements, expectations and needs of our customers. The Business is committed to growth in line with Valvitalia Group expectations; specifically, through the Group International Sales force.

The Quality Policy shall remain relevant to the organisational goals of the Business. These goals shall alter from time to time to reflect improvements in a dynamic way. The most recent "Policy Deployment Matrix" located at the 'Quality' address on the Business's computer network identifies the current goals.

To demonstrate, to both customers and employees, the Business's commitment to quality, it is the policy of **Broady Flow Control Limited** to maintain recognition with **Lloyd's Register Quality Assurance Limited** as a Company of Assessed Quality Capability under the requirements of **ISO9001: 2015**.

Quality objectives are set based upon past performance, outcomes of Root Cause Analysis and targets of Business Improvement activities. Continuous improvement of the Quality Management System (QMS) is monitored through the Management Review Process.

All **Broady Flow Control** valves will comply with the Pressure Equipment (Safety) Regulations 2016, UK Statutory Instrument 2016 No. 1105, as amended, and be UKCA marked accordingly. Also they will comply with the Pressure Equipment Directive 2014/68/EU and be CE marked, when appropriate.

In addition, **Broady Flow Control Limited** follows procedures to ensure compliance with all applicable regulatory requirements including those which are customer specific.

The Quality Policy of **Broady Flow Control Limited**, covering both administrative and manufacturing activities, is implemented in all departments. The requirements of the QMS are mandatory for all personnel and do not permit any unauthorised alterations or deviations.

The only way to achieve, maintain and develop this policy is for every employee, in whatever capacity, to perform his or her work to the highest standards at all times. Our aim is to: **Get it Right First Time while Striving for Continuous Improvement.**

Authorised: 1st January 2023

Expires: 31st December 2023

Signed

Alison Robison MCIPS
General Manager / Director of **Broady Flow Control Limited**.
